IFEOLUWA KOLAWOLE OJO

GENERALIST EXPERT | RESEARCH & ANALYSIS | AI RESPONSE EVALUATION

Nigeria • +234 916 255 6568 • ifeoluwaojo211@gmail.com • MacBook Pro (M2 Pro)

PROFILE

Research-oriented 2025 bachelor's degree graduate with strengths in information synthesis, comparative analysis, evidence assessment and clear written reasoning. Academic research background and interest in structured AI response evaluation, instruction-following checks and quality review. Comfortable learning unfamiliar subjects and documenting objective judgments.

CORE SKILLS

Research & source assessment • Logical reasoning • Comparative analysis • Fact-checking • Written evaluation • Error identification • Research documentation • Rubric-based assessment

EDUCATION

Bachelor's Degree | Rivers State University of Science and Technology, Nigeria | 2025

RESEARCH EXPERIENCE

Undergraduate Academic Research | 2025

- Reviewed research materials and synthesized information into organized findings and academic documentation.
- Compared alternative approaches using evidence, assumptions, limitations and practical trade-offs.
- Communicated analytical conclusions in clear written reports and structured explanations.

INDEPENDENT PORTFOLIO EXERCISE

Comparative Evaluation of Response Accuracy, Reasoning & Instruction Adherence | Illustrative case study

- Designed a five-criterion assessment rubric for factual accuracy, reasoning, instruction adherence, completeness and clarity.
- Prepared 20 paired hypothetical response scenarios to practice error detection, side-by-side comparison and written evaluator feedback.
- Documented scoring guidelines, examples and evaluation limitations in a reproducible portfolio case study.

TOOLS & REMOTE READINESS

Microsoft Word, Excel, PowerPoint; Google Docs and Sheets; online research; macOS. Owns an Apple MacBook Pro with M2 Pro chip; available for remote contract work.
